Anchorage - Hanshew Middle School - Replace Student Lockers

State Funding Requested: \$ 50,000**House District: 30 - O**

One-Time Need

Brief Project Description:

This project would complete the replacement of the student lockers at Hanshew Middle School.

Funding Plan:**Total Cost of Project: \$150,000**

State Funds	\$100,000	08				
Total	\$100,000					

Detailed Project Description and Justification:

The original lockers at Hanshew Middle School are broken and need to be replaced. The original lockers cannot be repaired because parts are not available and cannot be manufactured. Without functioning lockers, student's belongings are not secure and this can pose safety and security risks for students, faculty and staff.

The project was started two years ago and while new lockers were installed on the first floor, this project would complete the installation of lockers on the second floor. A portion of the cost of the project was approved in SB 256, the FY09 request is for the balance required to complete the project.

The safety and security of students' belongings is important to the learning environment at Hanshew Middle School and replacing the lockers on the second floor will serve 900 students.

Project Timeline:

The project can begin as soon as funds are available.
